1. The Tohani munitions magazine is two km east of the village of Mizil and includes an area of 400 by 800 m. The land is hilly and separate magazines are built into the hills. The area is surrounded by barbed wire. In the southwest part of the area is a two-story command building and guardhouse. The service personnel consists of 40 or 44 carefully chosen and screened Rumanian soldiers. The guard personnel consists of 23 men, who are on duty at the place for one month only.
2. Preparations are under way for the construction of a large military airfield two km south of the village of Mizil. It is at the point where the oil pipeline crosses the Ploesti-Buzau road and railroad.
